MY SEXY SECRET!

"LICK MY ASS!"

I was at a party the other night and this old guy was showing off and trying to convince all us younger people that he was a well-traveled man of the world and had seen a lot of strange things. He was telling how in Britain he once went to a degenerate private strip club where the dancers let the audience members eat them out. He said the strippers would sit on the edge of the stage and the customers would line up to lick them for a few pounds. He said he never did it but he was tempted when a girl with a really beautiful "bum" (Brit for ass) got on her hands and knees and stuck her butt in the air. He was an assman and said it was hard to resist that but the idea of eating a hole just after someone else did it was not appealing.

Well, after the party I went home disgusted with the guy's story but when I lay down in my lonesome bed (I broke up with my husband three months ago) I started imagining myself working in that crazy club from long ago and sticking my ass out for strangers. I imagined taking pound notes in my fist and having that old guy and my ex-husband at the head of line eating my ass. I played with my clit like crazy and could almost feel their dirty tongues in my butt. It was shameful how hard I came...and I wonder what that says about me!

Interview by Emma Edwards

Describe your first lesbian experience.
In my freshman year of college, I met a girl who was really hot. From the start, there was this unspoken girl language between us that let us know we were interested in one another. I invited her over one night for a movie and to sleepover. We snuggled on the couch together, watched a movie and ate some popcorn. It was very romantic and sweet. We didn't even end up hooking up that night. We just made out, petted, caressed and kissed for hours. It was shy, awkward, sensual and very hot. Funnily enough, she looked just like me with long brown hair, big natural boobs, piercing green eyes and a curvy ass. I'm still in communication with her. I don't give the good ones away once I find them.

What are the characteristics of your ideal type of woman?
I love confidence in a women. I always find it attractive when a woman is sexually confident and sensual. They need to know what they want and how to get it. She also has to be able to carry on a stimulating conversation. For me, conversation can be just as much of a turn on as sexual interaction itself. A great sense of humor is also a bonus. And... big boobs period! I like my women nice and curvy.

What is the sexiest part of your body?
I think I have very communicative eyes. I love to look at my partners when I am making love to them or flirting with them. A lot of sexual expression comes through my eyes. I also like my smile. It's warm and inviting.

How do you like your lovers to touch you?
That depends on the situation. I love a person who can be soft, rough and everywhere in between. They need to know how and when to touch me in different ways. There are going to be nights when I want to be fucked hard in the

pussyand treated like a slut and then there will be other nights when I want to be romanced with candles and incense. I have people for those activities lined up too. I collect them.

What type of outfit makes you feel sexy?
I'm really into costumes, so that is fun for me. I have lots of costumes and wigs for bedroom play. It's sexually freeing to step out of yourself and become a different character. Since I'm really into Star Trek and most of the sci-fi genre, my favorite characters to become are ones from Star Trek, Star Wars, and outfits from videogames. I have a really hot Jill Valentine costume that guys love. I'm such a videogame chick. I also love Victorian inspired costuming and have an extensive mask collection.

Are you a size queen? What is your idea of the perfect cock? Who has it?
I wouldn't call myself a size queen. I have been with every type of cock and each has its pros and cons. Since I am a small girl, sometimes a really large cock tends to hurt. The perfect size for me would be about 7 1/2 to 8 1/2 inches long. But more important than size is how they use it. If the guy knows how to use the equipment he was given, he shouldn't have any problems with me. And as far as giving you an example of my favorite, I'm going to keep that a secret. Ladies never kiss and tell. I have to keep my favorite porn cocks to myself so everybody else doesn't get all over them. However, I will say that Manuel Ferrara and Erik Everhard have amazingly good cocks.

Do you have any reoccurring fantasies? If so, what are they?
Aside from masks and costumes, I like the idea of anonymous hook-ups and role-playing. I have a fantasy of going to a bar, spying on a hot guy from across the room, and slipping him my room key. I'm also into voyeurism and love watching people have sex. The feeling is beautiful and erotic. The best is when a guy goes down on me or I'm masturbating to the sight of people getting it on around me.
I guess it is safe to say that my fantasies have played an active role in my reality.

Who fucks you the best? Men or Women?
The best would be having one of each. The feeling of having a dick inside of me is incredible. Men tend to be more rough aggressive. They offer intensive fucking that you can get lost in. Now women, they tend to be more sensual and seductive. They are soft, have boobs, and are very erotic. Both sides of the coin are good. I couldn't even come close to picking out the best.
I'd say that Manuel Ferrara, Mick Blue, Erik Everhard and Tommy Gunn are good candidates. You can add Jesse Jane onto that list as well.

What are some of the perks of being a DPG contract girl?
One of the perks is that we get the cream of the crop as far as male and female performers go. Having the opportunity to be with star performers like Manuel Ferrara and Erik Everhard is amazing. The caliber of people I get to have sex with is incredible. I feel truly blessed to be in my position. I was recently with Jesse Jane, which has been a life long dream of mine. Jesse is so sexually wild and crazy. Sasha Grey was another dream performer that I had the pleasure of working with. That girl is so unique, has such an individualistic nature and a sharp mind. Sasha and Jesse make you feel like you

are the only person in the world. Both will fuck the shit out of you, and look damn fine doing it.

Do you prefer morning sex, afternoon sex, or nighttime sex? Why?
I like all of them, although there is something to be said for morning sex. You wake up with sexy bed hair, lying next to that perfect person. Maybe it's not crazy wild sex, but the soft spooning can be great. Afternoon sex is the crazy romp, where you are both home on a lunch break and fuck across the kitchen counter. That's always fun. Nighttime sex is my least favorite because I'm often tired come bedtime. I tend to work a lot during the day and am low on energy. There's always a time to have sex though. I have it every day.

What do you enjoy doing in your spare time?
Aside from sex, I love playing videogames, working with computers and traveling. I love all gadgets and techy stuff. I'm always working on my iPhone or on my iPad. I also love reading and going to the beach. Anything outside, like camping or hiking, would be right up my alley.

Describe your special technique for giving a blowjob.
I pride myself on giving blowjobs and have heard they are very nice to receive. The most important tip is to pay attention to the cues that the guy is giving you, since all cocks are different. Constant motion, using your mouth and hands at the same time is a good rule of thumb. There needs to be a lot of moisture and tons of spit. And never neglect the balls or forget to play with them. You will get the most intense reaction when you suck on his balls. Most guys have never received this sensation. If you suck on his balls while stroking his cock, he's going to love you forever.

What do you sleep in?
Chanel No 5.

Have you ever had sex in public? If so, please describe the encounter.
I love sex in public and the feeling of being shown off. I have had sex on an airplane with a flight attendant, which was rather tricky. I also love having sex on the beach, so long as there is a towel laid out so sand doesn't get into places it shouldn't get into. I've had sex in the park and in public garages. That last one is really hot. The feeling of getting caught adds to the sexual excitement. It's always fun to just go park somewhere and fuck. I make it a point to have sex in lots of places other than a bedroom.

Is there a particular movie project that you're particularly proud of?
Yes, I'm particularly proud of *Body Heat*. It's our big budget blockbuster of the year that included special effects, explosions, and amazing sex. Every scene is so intense, especially the contract girl orgy in the end where we all get together (Katsuni, Kayden Kross, Jesse Jane, Riley Steele) and fuck on the back of a fire truck. It was so hot! I love that project with a passion. I also love *Fly Girls*. I got to perform with Sasha Grey and Manuel Ferrara, which we have established from previous answers are both pretty incredible.

What specific qualities do you bring to the Digital Playground line-up?
All of the Digital Playground girls are superstars in their own right. We are all beautiful and have something for everybody, blondes and brunettes. I pride myself on being very versatile. I can play the girl-next-door type

28219

of character or the seductive vixen. I take my acting and my career very seriously. My goal as an adult performer is to break down the porn stereotypes through empowered sexual expression and with a positive outlook. Being affiliated with Digital Playground gives me an opportunity to do that by offering me an incredible platform and plenty of exposure. I would like to bring pornography to the forefront of people's attention.

If you could teach a college course on how to master a sexual skill, what would it be? Describe the skill.
I would teach women how to be confident, sensual and sexual. I would like them to come to terms with their sexuality and to embrace the sexual beings they are. I want them to be comfortable in their own skin and be able to communicate their desires, whether they are kinky or not. Whatever it takes to get a woman out of her shell would be the goal. It would be a course in female sexual empowerment.

Does your contract, or has your contract, included any sexual firsts for you? (i.e. first 3-way, anal, etc...)
I'm not sure. I have been in threeways and other sexual configurations for the camera, on my website and in my personal life. A first was having sex with four of the world's sexiest women on the back of a fire truck. I can't take my mind off of that.

How did you get started in the adult industry? Why is it a perfect fit?
I was approached by a photography after college who wanted to take nude photographs of me. I begrudgingly did it since up until that point, I had always been the bookworm, gamer, and tomboy. I wasn't the type of girl that would ever consider getting naked in front of the camera. Once I saw the pictures, I felt sexually empowered and was full of incredible new feelings about myself. Seeing myself on camera was so intense. Soon after, I began doing video and began a XXX website. I haven't looked back since. I love my job and wouldn't think of doing anything else.

Has a fan ever surprised you with a special gift? What was it?
Yes, I am incredibly lucky and have the best fans in the business. My two favorite gifts were a costume made stripper pole and a custom made Star Trek costume. The fact that he went through the time to take down my measurements and have the costume made for me was very endearing. Like I said, my fans are the very best! ♣

NIKKY, CHUCK, NICK & MIKE

28136

To celebrate her recent move to a bigger apartment, Nikky decided to invite a few friends over and have a little cocktail party. As she was bustling about in preparation for their arrival, she kept eying her brand-spanking-new living room furniture. 'Why not,' she thought to herself, 'break my couch in with a bang?' As soon as she decided to shag on her shag, she stopped making cheese plates and crudités and stripped bare instead, ready to serve herself up as the only whore d'oeuvre for her guests to devour. Longtime chums Chuck, Nick and Mike just happened to turn up at her door all at the same time, showered, shaved and ready to party. As soon as they walked in and saw Nikky naked and waiting, they knew they were in for a helluva good time. Wasting no time with trivial social niceties, the guys all dropped trou and got ready to get it on. And just like that—1, 2, 3—Nikki was on her knees blowing them all one by one. She did everything she could to keep them entertained, leaving no hole off limits for their humping pleasure. The trio thoroughly worked her over and unloaded one at a time in her ass, until streams of spunk were trickling down her crack and dripping onto her now gently used rug. Nothing says fun like a fourgy! ♣

CHURCH OF BOOTYISM

STARRING: Ashli Orion, Jessica Lynn, London Keyes, Charley Chase, Amy Brooke, Mike Adriano
DIRECTED BY: Mike Adriano
AVAILABLE FROM: New Sensations

BIG ASSES / POV PORKING

POV style productions are meant to put you in the driver's seat. Without showing the face of the male performer, your cock can be easily be substituted for the one actually penetrating the pussy. Doing a fine job of mastering this genre, director/performer Mike Adriano makes sure to stay true to this visual model through intricate camera-work and solid lighting. Gathering five girls and putting their juicy booties in the hot seat, this one is prime for the butt lover in us all!

Demonstrating a superior anus, Ashli Orion goes the distance when allowing Adriano to shove his big stick up her butt. Looking picture perfect in doggie position, Ashli glances over her shoulder and begs you to fuck her ass harder. With such a kinky request, how can she be denied?

Also giving up gobs of gape is Amy Brooke. Marinating in a pool before the big show, Amy delivers a solid strip tease before getting her ass flaps stretched open. Throwing herself back for a more solid connection, Amy enjoys one position after another. She even giggles when her ass is frosted with white polish.

Although she doesn't give up her booty, Charley Chase delivers the knock out scene of this production. With an infectious sexual style that is impossible to look away from, Charley sucks cock and takes a vaginal banging like no other. Rising to the occasion, anybody would be damn lucky to have Charley spread out in front of them.

The same can be said for London Keyes. Known for being a dirty Asian chick, London doesn't disappoint when slamming cock down her throat and up her pussy. She nails it here and looks damn fine doing it.

Adding another blonde beaver in for good measure, Jessica Lynn is the perfect way to end the show. With a porno perfect physique, and a mouth that was made for stuffing, Jessica is fucked, flipped and rubbed down. Hot!

SUMMARY: Through a keen eye, as demonstrated by impressive POV style camerawork, Mike Adriano delivers a solid personal experience for the viewer by keeping himself out of view. Staying true to this particular style of movie making, fans of POV productions will get what they are expecting... big asses and a capable stunt cock! ♣

MILF BONE 4

STARRING: Taylor Wane, Roxanne Hall, Jazella Moore, Holly Sampson, Rachel Love, Dane Cross, Alex Gonz, Mick Blue, James Deen, Anthony Rosano
DIRECTED BY: Jack Mayhoff
AVAILABLE FROM: Diabolic

MEGA MILFS / COUPLES SEX

The old adage that women reach their sexual prime in their thirties is a proven fact in the fourth installment to this mega MILF series. Once again caging some of the premier lady cougars on the market, director Jack Mayhoff promises "a mother for every bite." What he delivers is five helpings of Grade-A meat that is ready to be served.

Making a rare but very welcomed appearance is Taylor Wayne. Wearing pink lingerie and looking gorgeous across the boxcover, Taylor's intense beauty will have you rock hard and ready to roll before pressing play. Even better is when Alex Gonz uses her to his full sexual advantage. Fucking her hard in the usual positions, Taylor makes a lasting impression by delivering a solid bout of titty fucking. Her piercing green eye contact is a bonus!

Also causing quite a stir is blonde bombshell, Holly Sampson. Getting a bit of added notoriety due to her affair with Tiger Woods, Holly looks great and is fucking better than ever. Taking Mick Blue for the ride of his life, Holly takes complete control in reverse cowgirl position. With her svelte stomach and insanely hot tits on full display, she has what it takes to keep cocks hard.

Roxanne Hall, another blast from the past is more than happy to add her seasoned pussy to the project. Working her mojo over James Deen, Roxanne goes two-to-two with this premiere performer. Starting by milking his bone, Roxanne is later twisted around like a porno pretzel, in four positions, and then sprinkled with cheese!

Watching Rachel Love's mega mammaries jiggle and sway is loads of fun in her scene with Anthony Rosano. Rolling this healthy hottie around a bed, Anthony finds her wet spot and attacks her hole at will. Jazella Moore also succumbs to the same penile fury when Dane Cross demonstrates total stamina, proving why older women covet younger cocks.

SUMMARY: MILF fans will certainly not be disappointed with this product. Featuring three top performers and a few lesser-known starlets, look forward to five rounds of hard pounding sex that is nicely shot and lit. ♣

SECRETARY'S DAY 4

STARRING: Asa Akira, Darcy Tyler, Katie Kox, McKenzie Miles, Allie Haze, Andy San Dimas, Otto Bauer, Christian, Kris Slater, Jack Vegas, Evan Stone
DIRECTED BY: Jim Powers
AVAILABLE FROM: Smash Pictures

SECRETARY SLUTS / OFFICE FUCKS

It's no secret that there is sexual tension bubbling over in virtually every office in America. Luckily for us, director Jim Powers has painstakingly combined sex in the workplace by delivering top-notch girls worthy of smothering the pages of Club Confidential Magazine. As a result, expect to see plenty of pens being dipped into company ink.

Looking mighty fine on the boxcover, cover girl Asa Akira is a wet dream come true. Even better is watching her strip out of her slutty office attire, latching lips and loins with Otto Bauer. Fucking her hard across a desk, Asa is undoubtedly the hottest Asian performer on the market. Delivering a killer blowjob backs up that statement quite nicely.

Also looking entirely edible in her tight skirt is new girl on the block, Darcy Tyler. Taking a vaginal licking from Kris Slater, Darcy rises to the occasion by sputtering her butter across his face. Once spit shined, she enjoys plenty of cock, looking her best in a deep-rooted doggie squat.

Taking her professionalism to the next level, McKenzie Miles has a leg up on the competition by donating her ass to the office. Pulled open like a wishbone, Christian shows no remorse when excavating her anus with his ruler. Taking it all in stride, McKenzie ensures she won't be forgotten when going for broke in reverse cowgirl position. Will somebody please give this girl a raise already!

Katie Kox, and her melon-shaped tits, is on full display with Jack Vegas. Squishing the mounds together and stuffing his sausage between the crevice, Jack splatters this chick across his desk in a flurry of positions before prepping her full of the white stuff.

Although a strong scene, the best occurs when Andy San Dimas and Allie Haze stack up to take down Evan Stone. With fucking so intense, that 9 to 5 grind doesn't seem too bad!

SUMMARY:

Six gorgeous babes get it on in the office with solid results. Fans of interoffice romances ought to love the output from these ambitious employees. ♣

SHE'S GONNA BLOW 2 P.O.V.

STARRING: Ashlyn Rae, Katie St. Ives, Kiera King, Amy Brooke, Alanah Rae, Alicia Tease, Ashli Orion, Kaci Starr, Jennifer White, Tessa Taylor, Natalia Rossi, Ally Kay, Mike Adriano
DIRECTED BY: Mike Adriano
AVAILABLE FROM: Digital Sin

ALL-ORAL / POV POLISHING

As if Mike Adriano didn't get enough bubble butts in the previous production, he's at it again in the second installment to this new all-oral series. The only difference here is that instead of going after big asses, he's seeking to stuff pretty mouths. Presenting another winner for fans of POV style productions, Adriano goes the distance by offering twelve girls that are more than happy to deliver slobbery wet blowjobs. Really, how lucky can one guy be?

Blowing out of the gate first, Ashlyn Rae and Katie St. Ives prove to be cock starved and ready to dine when Adriano dangles his dong in front of them like a carrot. Sucking on the stick, while Katie nibbles on his nuts, Ashlyn leaves a dripping wet mess in her wake. We like her!

When he's finished there, he is more than anxious to stuff his beans into Amy Brooke's mouth like a chipmunk. While she's busy hoarding, he holds onto Kiera King's ears as she slurps his frank like a slippery wet noodle. Not stopping until their pretty lip gloss disappears, these girls know how to suck nuts like dirty little sluts!

Adding a bit of chocolate swirl into this blow bang show, Adriano is happy to include Alicia Tease into the mix. Matching her up with Alanah Rae, these two tarts are a black and white delight. Like the suckers that came before, expect a good show.

Proving to be the nastiest of the bunch Ashli Orion and Kaci Starr take Adriano's cumload to the next level by blowing bubbles with it and drinking his salty cocktail from a martini glass. Bottoms up!

However filling, the finale comes to fruition when Jennifer White, Tessa Taylor, Natalia Rossi and Ally Kay quadruple up to ingest every inch of Adriano's stuff. Watching their wagging tongues wiggle over his wang is the icing on the cake!

SUMMARY: Premiere pole polishing, presented in a true point-of-view style format. With twelve girls and five scenes... trust us you're covered! ♣

THIS AIN'T BAD GIRLS CLUB XXX

STARRING: Angelina Valentine, Andy San Dimas, Alyssa Reece, Misty Stone, Katie Kox, Lexi Belle, Dane Cross, Tyler Knight, Ethan Cage, Chris Strokes
DIRECTED BY: Skye Blue
AVAILABLE FROM: LFP Video

REALITY SPOOF / HEATED SEX

Made to mock the popular reality show series, director Skye Blue presents some of porn's bad girls through five heated scenes. With a complete television crew in tow and plenty of horny confessions from the ladies, expect lots of gritty sex and some sexy catfights.

Fucking first, Andy San Dimas thanks her boyfriend, Dane Cross, for the hot bikini he's gifted her. Rimming the head of his cock and stroking his balls, Andy's mouth attack looks entirely delicious. Once solid, he slides his sausage inside her slit for some Grade-A fucking. Yeah, that ought to keep the presents coming!

The story moves forward to reveal Katie Kox getting dirty with Misty Stone's on-screen boyfriend, Tyler Knight. Shoving her big titties in his face, Tyler has no choice but to siphon her thick nipples in his mouth. Smacking her around a bit and taking her for a ride in doggie, Katie proves to be the perfect "girl on the side."

Heartbroken over her cheating lover and the underhandedness of her housemate, Misty seeks comfort in the arms of Alyssa Reece. Licking slit across a bed, the girls do their best work when in the sixty-nine position. With a roving camera to capture every nook n' cranny, expect to see top lesbian erotica from these perfect porn princesses.

Lexi Belle, looking a bit curvier than usual, gets it on with Ethan Cage. Although flipping her around in the usual positions, Lexi seems a bit disconnected from her scene. She springs back to life, however, once the oral session begins. Finally we get a glimpse of the Lexi we've come to love.

In the end, Angelina Valentine proves to be the baddest bitch of them all when she fucks Chris Strokes across a billiards table. With an inferno of action between their legs, Angelina is on fire. In fact, Angelina is just plain hot!

SUMMARY: Adding another porn parody to the roster, director Skye Blue jumps on board to deliver a good round of "Bad Girl" action. As far as parodies go, this one is on par with other middle level productions. It will certainly get the job done. ♣

UNTIL THERE WAS YOU

STARRING: Kirsten Price, Capri Anderson, Priya Rai, Marie McCray, Sunny Lane, Dane Cross, Anthony Rosano, Kris Slater, Johnny Castle
DIRECTED BY: Jonathan Morgan
AVAILABLE FROM: Wicked Pictures

ROMANTIC COMEDY / COUPLES SEX

Kirsten Price and Kris Slater, a young couple in love, take their relationship to the next level by moving in together. During the move, Kirsten stumbles upon her old diary and takes a hardcore stroll down memory lane. This is the premise created in director Jonathan Morgan's latest romantic comedy. Ideally suited for couples in the mood, this movie is as endearing as it is enticingly erotic.

Beginning with Anthony Rosano screwing the crap out of Marie McCray across a bed, we can see every inch of Marie's perfect porcelain body. Turning beat red when Anthony gives her pussy a thorough tongue tickle; Marie is as cute as they come.

The following sequence has Kirsten revealing her secret crush to recent tabloid tail Capri Anderson, the object of her affection. Clad in sexy cheerleader costumes, Kirsten is treated to plenty of red dildo action and lots of tongue. Capri also enjoys some plastic prick, although Kirsten's fingers seem to do a far better job.

Next at an office party, Johnny Castle takes Priya Rai to a back office to spread some holiday cheer between her legs. Going nuts while slobbering on his knob, Priya is primed and ready for the penetrative action that has her fucked repeatedly. The splashing eggnog finish is the best gift of all.

Ringing in the New Year in perfect porno style, Dane Cross has his way with Sunny Lane across a kitchen counter. Pulling her open and poking her pussy at will, Sunny proves to be a slut that is a cut above the rest. Staying in character throughout, this girl is an incredible performer through and through.

Also full of holiday spirit, Kirsten Price and Kris Slater go all the way in a romantic rooftop setting. With scads of hardcore fucking, mixed in with traces of lovemaking, this scene ought to turn bedrooms across America ablaze.

SUMMARY: While Kirsten Price and cast recount tales of broken hearts and lasting relationships, an entire world of sexual possibilities unfolds in a movie about finding true love. ♣

Nora & Lena

storemags.com

When Lena enlisted the aid of a tutor to help her bone up on vocabulary for a big test at school, she had no idea what she was in for. First of all, she had no clue that tutors could be so hot. Nora showed up sporting a suit, pearls, curls and some seriously smoking legs encased is sexy black hose. Lena found herself feeling grateful that she happened to be wearing her favorite and sluttiest school uniform, the one that had the tiny skirt that fluttered across her ass just so and the top that most mouthwatering-ly presented the round ripeness of her melons. Not wasting any precious time, Nora brought out some tools and settled in to teaching Lena how to really cram. First she parted her thighs wide so she could seriously study her pleasure pit and give her quite an intense licture. Then she moved on the real lesson and pounding out her pussy with a buzzing vibe. When she was sure Lena had got-ten the hang of it, she quizzed her by offering up her own quim and instructing Lena to pop her. Then it all came down to the final—both blondes impaled them-selves upon either end of a stick of carnal knowledge until they both came to the same cumclusion...with what Nora taught her Lena was sure to sexceed! ♣

THE SUBSTITUTE

SOME ACADEMIC ASS-ISTANCE!

27934

STARRING: RAVEN ALEXIS, MADISON PARKER, CINDY HOPE, JESSICA MOORE, DIAMOND FOXXX, MICK BLUE, MANUEL FERRARA, TOMMY GUNN, BEN ENGLISH, CHRISTIAN CLAY
DIRECTED BY: ROBBY D
AVAILABLE FROM: DIGITAL PLAYGROUND

With an unconventional, hands-on teaching style that ensures her students make the grade; Raven Alexis, *The Substitute,* has been assigned to an exclusive instructor's position at a prestigious prep school that caters to the higher education of foreign students. Due to the influx of foreigners into the United States, the academic board is trying to close down this specialized institution. **If the students don't pass their final examinations, the board will have its way.**

This is precisely the scenario that famed porn director Robby D has crafted using contract goddess, Raven Alexis, as the star vehicle to get this hot little number from A to DD. By encouraging her students to have an open mind regarding their budding sexuality, Raven fucks and sucks her students to guarantee their academic success. With that said, it's time to sharpen your pencil and watch as horny pussies and kinky co-eds make the grade in the school of hard cocks. Class is now in session and student participation is not only expected, it's mandatory!

The movie begins in a classroom, full of sexy students that anxiously await **the new substitute's arrival. "I hear she is the hottest teacher in the country. If she likes you, she'll fuck you,"** Manuel Ferrara charges, feeling his cock grow in his pants. "Well, I hear she can't get enough hard cocks!" Madison Parker continues, licking her pencil tip in anticipation for the extracurricular activities that are sure to come.

After several minutes of back and forth banter, Raven Alexis enters the classroom looking hot as hell! "I want you all to write down a personal problem. Sexual problems are what I'm best at," she begins, as Christian Clay slowly moves toward her desk. Apparently, he's failing his math class because he has an incurable crush on Diamond Foxxx, his teacher. After

giving Christian some sound advice and encouraging him that "it's okay to think with your cock instead of your head," Christian sets out to entice Mrs. Foxxx with what he's learned.

Upon entering the room Diamond says, "I need to talk with you about your grade. Is there something distracting you?" Swallowing hard, Christian pulls out his cock and says, "Yes! You! I can't stop thinking about your big tits and the way you shake your ass!" Waiting for her reply, Diamond is shell shocked to see his big Italian sausage dangling in front of her face like a carrot. After having skipped lunch, Diamond is famished and ready to dine on his imported meat. "Get that fucking thing over here," Diamond chugs, dropping to her knees to take in eight solid inches of his stick. Charging it to the back of her throat and using her fingers to massage the veiny shaft, Diamond's incredible tits are lined with warm saliva in a matter of moments. Gripping her blonde hair with his hands, Christian watches his meat slide in and out of her mouth. "Don't forget my balls, Mrs. Foxxx," he smirks, swatting her forehead with his double danglers.

From here, he rests his cock between her fluffy chest buns before bracing her against the desk in standing doggie position to get a slice of her collegiate cooze. Practically barking, Diamond begins to claw the desk and cream their thighs the moment he enters her swollen beaver. Sinking his hands into the small of her back, Christian makes mince meat of her pussy, as her knees begin to buckle. "Fuck your way to a passing grade," she continues to wail. After a few more positions, that keep Diamond's tits the main attraction, Christian yanks out and covers Mrs. Foxxx with plenty of home-made white out!

Back in Raven's class, Jessica Moore reveals her secret fetish for smelly sweaty socks. "The natural smell of a man is so erotic. This is nothing to be ashamed about," Raven promotes. Shedding her secret shame, Jessica sets out for the boy's locker room to put her newfound confidence to the test.

Breaking into Tommy Gunn's locker, Jessica pulls out his gym socks and his jockstrap. Smashing the sweaty items into her face, Jessica becomes quite turned on as she licks and kisses the damp fabric. In a matter of moments, she begins shoving her fingers up her sloppy pussy and rubbing the sticky syrup over her lips. Before she knows it, she's butt naked, wearing his jockstrap and making her self cum repeatedly.

"What the fuck do you think you are doing?" Tommy charges, exiting the shower to find Jessica immersed in a sea of his belongings. Without saying a word, Jessica yanks Tommy's towel off and starts going to town on his tool. Slathering her face with his wet pubes

and smacking his cock against her cheeks, Jessica purrs, "Make me take it!"

With such a beautiful face, perfect tits and a heartfelt plea, Tommy has no choice but to succumb to Jessica's request. Grabbing her by the cheeks, Tommy parts her lips with his gun and watches her slurp back his meat like a string of spaghetti. "You look so good with my cock in your mouth," he compliments, bringing her face up to taste the moisture that's collected around her lips.

Spreading her open on the narrow top of the wooden bench, Tommy lowers his anchor into her clam in missionary position. Gliding into place with zero resistance, Jessica's pussy is ripe and ready for the pounding that is to come. "I can take it. Give me more!" Jessica contends, locking her inner elbows around her ankles until her body contorts into a crablike shape. Once again, Tommy doesn't disappoint and lays into her with even more force than before.

Trying her out in doggie and reverse cowgirl, Tommy ensures Jessica has her fill and that her kinky fetish fantasy is fulfilled. But just in case, he jerks his load over her tits for good measure. Nice call!

Meanwhile back in the class, Manuel Ferrara is visibly shaken that Mick Blue got an opportunity to fuck Raven Alexis before he did. In order to make things right again with her troubled student, she offers Manuel the same "academic assistance" she gave to Mick.

"Let's start by tasting your French baguette," Raven teases, dabbing the rim of her lips with his cock as if she's applying a layer of Chap Stick. After sufficiently licking the sides and sucking the head, Manuel grabs Raven by the back of the head and spits, "Come on teacher, you can do better than that!"

Now coerced into stiffer play, Raven starts to gag and spit on his meat, while she busily spirals her hands up and down his length. After several minutes of solid cocksucking, Raven jumps on his thick thighs in cowgirl position and goes to town on his baloney pony. "Ride that cock girl!" Manuel urges in his sexy French accent, seemingly spurring Raven into executing an even harder ride as he continues to egg her on. Starting to bubble and pop with the onslaught of goose bumps, Raven's chest turns bright red before exploding her load across their humping laps. "Fuck yeah," she snarls as the gloss continues to trail out of her vagina.

Spinning her around into a belly-down doggie spread against her desk, Raven really hits a high note in this position. Manuel holds out for as long as he can before dousing his professor's boobs with pellets of pure protein. Hot!

Finally, in an effort to mend the friendship between Madison Parker and Cindy Hope, Raven Alexis reminds them that, "caring is sharing". Not realizing that their squabble pertains to the secret crush both girls have on Ben English, the principal of their school, the students set out to put their alliance to the test.

Walking into his office with sexy smiles across their faces, Ben is led to believe the girls have caused havoc in another class. Before he has time to ask them what they've done wrong, Cindy is pressing her tits into his lap while Madison is rimming his lips with her tongue. "All we want is you," Madison purrs, unbuttoning her blouse to stick her nipples inside of his mouth.

Locking the door behind them, Ben drops his drawers and arranges both slutty students around his stick. "Suck!" he charges, snapping his fingers and watching the girls get to work on his balls. With Madison burring his nuts in her cheeks and Cindy slobbing on his knob, both girls are kept quite busy orally.

Deciding whom to fuck first, and how, Ben goes after Cindy by positioning her on his lap in reverse cowgirl. After a few practice humps to open up her hole, Ben sheds his bedside manner and starts to lay into Cindy's cunt like a linebacker! "You're gonna fucking fill her!" Madison teases, watching her friend's pussy get pummeled and porked. Sticking her tongue to scoop up the action, Madison is a firecracker waiting to explode. After Cindy gets her fill, Madison pulls her pal off and continues the ride in pole position. "You girls are driving me wild," Ben explodes, stacking both bitches side by side to stick his fingers up their holes. In time, each girl is twisted into and out of the most interesting porno configurations before being treated to warm splashes of his salty semen. I'd say their conflict has found a desirable resolution, wouldn't you?

As the real sexual education teacher comes back from his extended vacation in Las Vegas, Raven Alexis, *The Substitute*, is sent packing. With more students to teach and cocks to drain, it's only a matter of time before her hands-on techniques are needed in another institute of higher learning. Like they say, when the teacher is away, the students will play. And boy, do they! ♣

NEVER TAKE FINE COCK FOR GRANTED

I never thought I would be a slave to any guy's dick. That wasn't my self-image, being on my knees, kissing and sucking a prick, or kneeling over a bed and feeling hands on the back of my head while my face moved up and down on red-hot inches. Sure, I figured I'd sample a good share of penis as I went through my twenties, but the way I was hooked on Brad's meat was something else again.

Like one day last summer. I was walking down the street to Brad's apartment, on my way to my survival job. I'm an actress and working in a hip clothing store as a clerk is how I pay rent between auditions and roles. I don't start until noon and so I often stop at Brad's. He works out of his apartment as a freelance consultant of some kind.

I felt good as I walked along, my ponytail swaying back and forth, my legs tan and toned in my blue denim short-shorts. I noticed a couple of guys looking at me with hunger in their eyes. I flipped my ponytail around just for the heck of it, to make them even hornier, and I reached into my shoulder bag for my cell to call Brad and make sure he was available. Can't take a good cock for granted.

He said he was finishing a phone meeting and told me to come up in fifteen minutes. I wondered: could my mouth and pussy wait that long? Putting my phone away, I was almost tempted to walk back and see if those two guys who'd been eyeballing me might be interested in going somewhere for a little fun. Of course, I wasn't serious. It's just funny how my desire for Brad's dick, when temporarily unsatisfied, makes other dicks suddenly look good too.

But I was no slut for just anybody. Instead I walked around the neighborhood, letting other guys see my nice legs and my ponytail and my good ass in my shorts. It excited me to do this and got me ready for Brad.

When fifteen minutes were up I went to his place. He answered the door naked, the cheeky bastard, and he already had a hard-on. He was still talking on his cell, but

KATALINA, LESLIE & BOB

Having just broken up with her boyfriend, Katalina was looking to forget her woes for a while and have a good time. So she went out to her local nightclub and picked up Leslie and Bob, two charming, well-endowed gentlemen who promised to double both her pleasure and her fun with absolutely no strings attached. Katalina was game, so she brought them both home to her place for a tawdry little threeway. Having never had two men at one time before, Katalina was a bit nervous at first but she handled both cocks like a champ. First she sucked them both to a rock hard state of readiness then she laid back and let them have at her. Leslie immediately lit into the lush pinkness of her vage while Bob had his heart set on having some more head from this tart. Then they shook things up a 'lil and Katalina rode Bob's baloney pony with Leslie's ramrod in her mouth. By then Katalina had cum multiple times and she felt ready to try the both on for size, so Leslie moved round back to spear her starfish while Bob stayed sunk inside her snapper. Both boys got in and Katalina felt exhilarated. She fucked them hole-heartedly until it was time for them to blow. Bob and Les simultaneously squirted their satisfaction all over her chest while the satiated Katalina was all smiles.

closed the door and pointed to the couch and wordlessly indicated I should take off all my clothes and get ready for him.

I stripped and waited while he walked around the living room finishing his call. He finally came over and let me get to work on his dick while he kept talking. I took his large veiny meat in my hands, stroking his balls gently while I lowered my mouth onto the shaft. He felt so smooth and satiny, his dickhead round and slick, and the instant he entered my face I sensed my juices flowing even more than they'd been flowing before I'd got up there. I touched myself and painted my clit with my wetness while I blew Brad.

Finally he got off the phone and put it on the table. He took my lips off his dick and he laid me back on the couch. I looked up at him, cupping my breasts and pulling on my nipples as I swallowed hard and anticipated the first plunge of his dick. Brad could be such a tease. He grinned down at me as he held his meat and moved the tip around my pussy lips, letting me feel the heat of his meat. He poked and prodded, but he didn't put it in yet. I was so wet down there, and I lifted up my legs and held them under the thighs, presenting myself to him completely. Finally he pushed down on the backs of my knees and crammed his cock into my hole with a squish.

"Ohmigosh, ohmigosh," were the only words I said, and I said them over and over while he fucked me.

I closed my eyes even as I reached over and held Brad's hips lightly with my fingertips as he plowed me fast and deep. My nipples felt like little rocks against the cool air of the apartment, and my pussy was a hot swamp. I still had the flavor of Brad's dick on my taste buds, and I replayed in my mind how I'd been sucking him only a few minutes before.

Suddenly I began to cum. I couldn't help it, cumming so fast. But I was completely enslaved to Brad's dick. Finally I opened my eyes again, and saw Brad's wide smile. When I finished twitching, he slid his dick out, held it over my tummy, and shot out a long creamy blast. I licked it up quickly. You see, that was my breakfast!

HAPPY SANDWICH GIRL

Usually during the day you can find me at work at a grocery and sandwich shop. Sometimes I am on the register and other times I am making sandwiches, rolls, and coffee for our breakfast and lunch crowd. Many of the men customers flirt with me, or try to. I have a nice look in a pair of jeans and a t-shirt and they want me. I don't blame them but I am mostly for my boyfriend Charlie. I say "mostly" because if they were friends with Charlie, they could have me too, because Charlie shares me with his buddies.

Charlie is proud of me but does not think it would be right I be only for him. So while I am at work making a Western omelette sandwich in the morning, I might be thinking about what happened last night when Charlie brought home a friend.

You see my job is boring and when I am making change for someone's bag of chips, I might be remembering how Charlie put his dick in my ass while a pal filled my mouth.

Two nights ago it was Ray, one of Charlie's oldest friends, who was the lucky man. Charlie sat off to the side having a smoke while Ray had me on his prick. Ray was dressed but just took his cock out and sat me on it reverse cowgirl. I was naked. I like to be naked when men are still wearing their clothes.

Ray bounced me up and down on his cock and felt my tits. Charlie loved to watch that and he blew smoke rings the whole time. But eventually he said it was time to join the action too, so he took off his clothes and told Ray to strip too. Charlie likes to give orders to people, to me, to his friends. Well his friends don't have anything to complain about since they get to fuck me, which is a nice thing since my body is hot.

Sure lots of girls have hot bodies and Charlie has had plenty girls but he says I'm the best ever and I try to keep him thinking that way.

So when Charlie and Ray got nude with me it really got good. Charlie got up on the bed so he could put his cock in my mouth while I kept riding Ray. I liked the way Ray kept squeezing and playing with my tits. My pussy was soppy wet and every time I went

up and down on Ray's rod it made a squishy sound.

When I'm getting fucked like this I feel happy; a million miles away from the sandwich shop and the constant orders for coffee with cream and two sugars.

Charlie wanted my ass so he told me turn around and face Ray while I still rode cowgirl. I leaned over Ray and I pressed my nipples into his mouth and pulled his face close to me. I liked how his long cock slid so good back and forth in my hole, I was so juicy and damp and I could feel him almost banging me right to the end of my pussy. Then Charlie got over me and pulled open my butt and spit on the hole. I could feel his fingers really tight on my cheeks and then he took his bone and began to plant it inside my ass. I have been fucked many times in the back but never get tired feeling Charlie fit himself in. He does it slow but when he gets in about an inch or two suddenly I always relax and he can really stuff it down. He holds me by the waist and moves back and forth making a rhythm.

The guys took their turns fucking me; when Charlie pumped, Ray rested, and vice versa. It was funny to look into Ray's eyes while Charlie was fucking me. I think Ray kind of likes me but he knows that the only thing he'll ever get is sharing a threesome with me and Charlie.

So there I was, it was pretty late even though I had to get up early for work in a few hours, and Ray and Charlie made me the meat in their sandwich. It's funny, my whole life is about sandwiches, I guess, with mustard and mayo what I use in the shop and sperm what I use in the bedroom. Because Ray and Charlie gave me a lot of it. I'm fixed so I can take it in my pussy and of course in my butt too. Boy was I ever filled that night by Charlie and Ray. I didn't have a chance to shower, so if only the customers next morning knew how I was leaking in my jeans as I moved around filling their orders! See, I forgot to put my panties on.

ALEXANDRA & MARTIN

Sorzmags.com

Kinky couple Alexandra and Martin were always looking for wacky ways to spice things up between the sheets. Alexandra loved to dress up in sexy costumes and seduce her man and Martin just sort came to expect it. But when she turned up at his place wearing a teeny tiny fire man outfit and demanded to see his hose, Martins was driven into an unexpected frenzy. Perhaps it was the way the shiny patent leather bottoms hugged the fat lips of her honey hole just so, or maybe it was the way her hard little nipples strained against the isty bitsy triangles of her top, but Alexandra in that get up sure got his juices flowing. He pawed at her titties as she sucked him off, her flamed haired head bobbing rhythmically up and down his shaft. Soon he was chowing down on her box like he'd been starving for days, and Alexandra came twice just form the frantic flick of his tongue. Then they embarked upon some sexual feats they had never before attempted, Alexandra athletically allowing herself to be flipped and bent every which way as Martin manically balled both their brains out. Finally, out of sheer, sweat-soaked exhaustion, Martin was ready to cum. Alexandra begged to taste him so he unleashed his load smack dab into her eager, open mouth. And they fucked happily ever after. ♣

CLARISSA

Getting off in the shower is one of Clarissa's biggest thrills. "There's something about doing it in the shower that makes things extra dirty," she explains. "Like, anytime my boyfriend and I get in there, the first thing he goes for is my asshole. He licks it for a long time, gets it all the way up in there, then he fingerfucks it while he licks my cunt! I go totally fucking crazy and cum on his face every time!" Sounds like shower time is a very, very good time, indeed!

FERRARA *Sweet brunette Ferrara likes bad boys, fast cars, and big cocks, pretty much in that order. If you look like one, drive one, and have one, you are the man for her! "Once you fill up my check-list, you can fill up my pussy! I got my tits bigger to enhance my sexuality, and I have a super-wet pussy that can take a cock for hours! I'm not into getting fucked for 20 minutes and watching a movie on the couch, I want to get boned like they do in the porn movies: make it an all-night thing!"*

HEATHER *Sex au natural is how Heather likes it. In fact, in fields of heather, Heather heads off to slip a finger or two deep inside her little slot. "I like to get banged outdoors! It feels so fresh and free, and for some reason, I like to get fucked in the ass outdoors!"*

SHAUNA *Any guy who gets to live next door to Shauna is in for a real treat! "I will fuck anyone, guy or girl, anytime, anyplace! My last apartment, I fucked the landlord and his uncle and my next door neighbor, just 'cause I felt like it!"*

28120

28124

28121

IRIS *Growing up in Los Angeles presented sweet Latina Iris many opportunities! "I worked on a few Hollywood sets, both mainstream and porno and picked the fuck films as the more exciting! Some of the A and B List types were pretty stuffy. I just wanted to get laid! I mean, we're in Hollywood, let's do some fucking!"*

superbabes.com

MARISOL *This stunning San Diego native was prompted to send her photos in by her boss, whom she recently started fucking. "He said that I was so hot I should show my body off to the rest of the world, so he took these pictures of me and sent them in. Of course, I didn't send the photos of me sucking him off, or him licking my cunt, or the ones where he came all over my face, but at least you get to see these!*

28123

NATALIYA *Just by looking at her, you know Nataliya is something special. "I like to get as much cum in me as possible! I'll take it every hole, no problem, no questions asked. I love jizz. I love the way it feels and the way it tastes. Cum in my mouth, and I'm in love. Cum in my pussy, and you've got a friend for life! Cum in my ass and you're going to get a chance to do it again in the other holes!*

MY SEX LIFE!

"SWEET DREAMS"

My boyfriend Jack suffers from a chronic case of insomnia. We've tried everything, from drinking herbal tea to taking baths together before bedtime. Anxious to help him get some quality rest, I've decided to take matters into my own hands by implementing my own special remedy. Right before we go to bed, I lie between his legs and give him an amazing blowjob. I suck his cock from tip to base, juggling his nuts in my mouth like marbles to help calm his nerves. As his body twitches and muscled tighten with excitement, he sinks into a more comfortable state. To ensure adequate stretching, I gently roll him back and run my tongue across his salty balls. Sometimes I'll even sit on his cock, and ride him in out in cowgirl for a few minutes, doing all of the work of course. By this time, he is settling more comfortably into our bed and is showing signs of exhaustion.

Right before Jack is about to cum; I implement my hands by firmly jerking and twisting his cock while I continue sucking. We both really love this part because we know what's on the horizon. Once his jizz load finally starts to spew, I lock my lips around his mushroom tip and swallow every drop of his creamy blast. Once he's busted his nut, I gently place the blanket over his body and wish him a goodnight. So, forget about buying addictive sleeping pills or expensive ergonomic pillows. A stiff blowjob is all any man needs in order to get a good night's rest! ***"Blow Fairy"- North Dakota ♣***
